Chairwoman's report

- KIF was founded in 1992
- Many women have put in work to create a strong network and presence
- Women are still underrepresented in the physical sciences (as are several other groups!)
- Still facing biases, invisible barriers
 - Network is important
 - Role models are important
- We continue to work through:
 - Events and activities
 - Communication: Website and social media presence
 - Collaborations with other organizations
- We are open to ideas and input
- Join the board!
 - Become a helper

Chairwoman's report

Thank you to the board for your work and dedication
